All clubs need volunteers for clubs to happen. Please consider volunteering. Clubs may be cancelled if volunteers are not available to help club leader. Availability is determined based on volunteers.

You will receive email confirmation and reminder for each club session.

All clubs are lead by parents! If you have an idea for an after school club please email kesptainfo@gmail.com or contact Tori

Clubs are fun but we do expect students to have proper behavior. If behavior becomes a problem warnings will be given. If behaviors do not improve then the student will be asked to leave the club with no refund.

Clubs are on a first come basis so please submit your forms to insure you have a spot in a club. You may choose more than one club to participate in, but may not be granted access to allow for others to participate.
