

# Virtual Learners Orientation

Amanda Goran  
Keystone Local Schools

# Meeting Norms

- Please mute your microphones
- Type questions as we go in the chat box and I will answer at the end
- When camera is on do not distract others
- Do not use chat unless asking a question related to lesson

# Google Classroom

- Students will be asked to join each class's google classroom.
- Google Classroom can be found under the google apps
- Students will need to be logged into google accounts to access
  - Google accounts username is graduation year, first letter of first name, last [name@keystoneschools.org](mailto:21agoran@keystoneschools.org)
    - EX: [21agoran@keystoneschools.org](mailto:21agoran@keystoneschools.org)
  - Google account password is student number- OO "capital O's"
    - Ex 123456-OO

# Expectations/Attendance

- This is not the Spring
  - Teachers will be hosting live times, recording videos and posting resources and assignments throughout the week
  - Students will be given grades on assignments
- Even though at home, need to treat like being in the classroom
  - Should go through all teachers live times and create a daily schedule to follow
- MUST LOGIN DAILY to check in and complete assignments
- Students need to actively engage in opportunities for live instruction and meet times with teachers
  - These times will be posted in the google classrooms
- Attendance will be taken and measured on the engagement of child in classrooms.
- If your child is unable to “attend” for the day, parents need to call school and report them being absent for the day. Same goes for vacations.

# Student Responsibilities

- Participate in live sessions with teachers
- If needing extra support or having issues, need to communicate with the teacher ( can do so via email or phone or ask for a one-on-one virtual meeting
- Complete assignments when due. Again attendance may be affected by incomplete assignments or lack of engagement online
- Take time to watch videos and look at notes/resources being posted by teacher.

# Uncharted Territory

- We are all still learning how to navigate the virtual world, and sometimes technology does not cooperate
- Have patience and grace with teachers as they find a routine that works for them and their students
- Report technology issues to school so that it can be documented for attendance purposes
- If you have questions or concerns, please reach out directly to teachers

# Material Pickup

Tomorrow from 9-11 and 1-3

Tuesday from 4:30-6

Wednesday from 4:30-6

# Contacts

Any further questions..

# FAQ's

- Is it okay for my child to do work in evenings when I am home to help?
  - Yes, but know the live sessions and meet times with teachers will be during school hours. Encourage them to participate when possible.
  - Students are still responsible for work being completed on time.
- Where will my child find assignments?
  - Assignments will be posted in google classroom under classwork tab
- Where will my child's grades be posted?
  - Grades will be posted in Powerschool.
