# Foertmeyer \& Sons 

March 5th starts KES PTA's Spring Flower Fundraiser! Please help us reach our fundraising goal of $\$ 10,000$ to help fund our general budget. We rely on this and other fundraisers each year and are really grateful for your support!

We choose to do a Foertmeyer and Sons fundraiser because of the beautiful selection and variety of plants they offer and that you, your family, and your friends are going to purchase anyway! See below on how to share your student's link with family, friends, co-workers!

NEW THIS YEAR: Check out our Perfectly Paired Plants and get the garden of your dreams!
Please see the Foertmeyer and Sons' Spring Flower Catalog for information on what's available, pricing, and how to order your plants online!
