Dear Parents and Students,

Welcome to Keystone Elementary School. We are an educational community that is dedicated to innovation and excellence. In this handbook we have developed procedures that stress student safety and educational excellence. Together, we will grow and provide our students with the very best educational opportunity possible.

The staff at Keystone Elementary would like to encourage parent involvement in the schools. Our hope is that you will continue to be part of our collaborative effort to provide a safe, positive environment for your children to learn and grow. Please look for ways to be involved in your children's education through volunteering in the classrooms and joining our Parent-Teacher Association. Research shows that parents and teachers working together present children with the strongest chance for success in school.

The content of this handbook is for your use and should be a great help to you in being familiar with our school procedures. Please take time to review this handbook and share the information with your child. If you have any questions or need further information, please do not hesitate to call or stop by the office. Our open door policy is our guarantee to a successful, positive experience at Keystone Elementary.

It is a pleasure to have you as a member of the Keystone family. We are looking forward to working with each and every one of you as we embrace the new school year, continue to build on a tradition of academic excellence, and provide a positive learning experience.

Best wishes for a successful school year!

Jacob Alferio- Principal

### **District Mission Statement**

#### **Mission Statement**

We are Keystone, where education for tomorrow starts today.

#### **Vision Statement**

We are Keystone, cultivating innovative leaders for tomorrow's world.

## **The School Day Begins at Home**

### **Steps to start a *Great School Day***

We want every child to experience success at school, and you can help your child do so. Getting your child's day off to a good start is one of the best things you can do for him or her. You can make sure your child starts each day on a positive note by cooperating with and supporting our efforts in the following ways:

1. Send your child to school on time: not late (9:01 is considered tardy) and not early (no earlier than 8:45).
2. Teach your child to respect and obey all teachers, secretaries, custodians, monitors, and aides. They are responsible for the general order of the building.
3. Talk to your child about treating other children in the same manner in which they wish to be treated.
4. Instruct your child to go directly to and from school using the same route each day.
5. Send your child to school properly washed and dressed, using the dress code and weather as your guide.
6. Discuss with your child all the information in this handbook so that he or she understands what is expected.
7. Become involved in your school community; join PTA, attend Board of Education meetings, and help with special school projects.
8. Above all else, let your child know when he or she is doing a good job in school. Praise him or her for good effort and behavior. We will do the same at school.

### **Student Information/Emergency Cards**

Student information cards are updated each school year. Please complete and return your student information cards as soon as possible once school starts. This information helps us to quickly locate a parent or other authorized person in the event of an emergency. ***Please make sure all information is kept current throughout the school year.*** Make sure the individual you have listed to contact in the event of an emergency is aware of his or her responsibility.

### **K-12 Attendance Policy for Keystone Local Schools** **In accordance to House Bill 410**

1. A **"Warning Letter"** will be sent home when a student has missed 38 hours in a calendar month or 65 hours in one school year. This includes both Excused and Unexcused absences.
2. **"Triggering Absence"** occurs when a student has missed either 30 consecutive hours or 42 hours in a calendar month or 72 hours in a school year. Unexcused absences only are counted. The Attendance Officer will become involved at this stage.
3. An **"Intervention Plan"** will go into place once a student has reached their Triggering absence. Parents will be invited in to meet with the Attendance Officer and Administration to discuss and intervention plan for their student.
4. There will be an **"Evaluation"** after 60 days of the intervention plan being in place. Court referrals may be made if satisfactory progress is not being made

## **Student Absences**

In accordance with Ohio's "Missing Child Law," the following attendance procedures will be followed:

1. **Parents must call the school on the day a student is absent.** Parents should call the Keystone Elementary School Attendance line at 440-355-2301 by 9:15 AM to report an absence.
2. Parents planning on taking their student out of school to go on vacation must fill out a **vacation request form**, which is obtainable in the school office or on the elementary home page. This form must be completed and returned to the principal for his/her approval 5 days in advance of the vacation. Students will be required to make up missed assignments at the discretion of the teacher. **Students are permitted to use only 5 days of absence for vacation during the school year. Any days beyond 5 will be unexcused vacation days. These 5 days are not part of the 10 days that families can call a student off for medical reasons without a doctor's note.**
3. **If a student is absent and the school has not been notified,** the school will send an automated message to the parents informing them that their student is not in school.
4. Students are considered to be tardy to school if arriving after 9:00 AM and before 12:01 PM. They will be considered a partial day absence if arriving at 12:01 PM or later, and the arrival time will be calculated in hours and minutes missed.
5. A note or a phone call is required for all absences. Lack of a note or phone call will make the absence unexcused. An absence note or phone call should include the following: child's name, date(s) of absence(s), reason for the absence(s), parent/guardian name/signature. If your child has been seen by a doctor, please submit a doctor's note as these absences are coded differently. **After the tenth (10) day of absence medical verification is necessary or the absence will be unexcused.**

## **Tardiness**

All students arriving at school after 9:00 AM **MUST be signed in by a parent** at the school office. Please do not send your child in late (unaccompanied) as the office will not be aware that they have arrived. While tardiness is discouraged, we realize there are times when it is unavoidable. Students are encouraged to come to school late rather than remain at home for the entire day. The tardy bell rings at 9:00AM and any student signed in after that until 12:00 PM, will be considered tardy. This time missed will go towards attendance in hours and minutes based on arrival time. If a student arrives after 12:00 PM it will be considered a partial day absent and calculated in hours and minutes based on arrival time.

## **Student Early Dismissals**

If at all possible parents should try and schedule doctor and dental appointments outside of school hours. When it is necessary to have the child be dismissed early for a portion of the day, the parent should send a note to the teacher explaining the reason and the time that the child will need to be picked up from school. Parents must come into the office and sign out their child and **have an ID available**. Office personnel will call down to the child's classroom for the child once the parent has arrived. Parents are not to go to the classroom and pick up their child. This time missed will be coded as a partial day absent. The hours and minutes will be calculated based on sign out time.

## **Illness or Injury at School**

At the beginning of each school year parents are asked to complete Emergency Medical Authorization Cards, which tell the school who to contact should your child become ill or injured. **Please keep the school informed if you change your address, telephone number, employment, emergency contacts, doctor or emergency numbers.**

School personnel in the office clinic will care for minor cuts, nosebleeds, and bumps. Serious injuries such as broken bones, large bumps, severe wounds, or eye and head injuries will be given emergency care and the parents or friends on the Emergency Medical Card will be contacted immediately. If deemed necessary an ambulance shall be called and the child will be taken to the nearest hospital.

## **Parents will be called to Take Their Child Home for the Following**

1. Serious injury
2. Abnormal temperature
3. Nausea or diarrhea
4. Unidentified rash
5. Suspected contagious disease
6. Other signs or symptoms of illness
7. Indication of head lice

If a child is ill, it is better to keep him or her home for a day rather than come to school and risk a more serious illness or expose classmates to a contagious illness. If your child has a temperature in the morning, please do not mask it with medicine; keep your child at home if he/she has a fever.

If you cannot pick up your child within 45 minutes of being called, we will begin contacting all listed emergency contacts from their emergency card.

## **Make-Up Work**

Assignments missed during the period of absence must be made up. Parents may request work missed for their child while he/she is absent at home **after 3 consecutive days of absence**. Students will be given one day per day of absence to complete make-up work. **When students are absent due to vacation, make-up work will be provided by the teacher when the student returns to school.**

## **Dropping Off/ Picking Up Students**

Parents are requested not to drop off their children until 8:45AM. Students should be dropped off by the east side of the school building. Walkers will be dismissed first, before buses and car riders. Parents who want their child to be an everyday car rider will be issued a name placard to display in the windshield of the car. When picking up students at the end of the school day, parents should create a pick-up car line along the sidewalk on the east side of the building. Please stay in your car at all times, to ensure safety. Students will be dismissed to cars from the side door. Anyone picking up a student should have an ID with them to prove their identity, if asked, and students will only be released to those 18 years of age or older. Parents must notify the school **by 2:45 PM** if their child is going to be following a different dismissal procedure, than the regular one written on the emergency card. Calling the school after 2:45 PM to change dismissal procedures, does not give the staff adequate time to inform all parties of the schedule change. Any student not picked up by 3:45pm, will be sent to Keycare. School buses load and unload in the front of the building and no vehicles are allowed in this area during arrival and dismissal times.

## **Enrollment/Withdrawal from School**

If parents are considering moving to another school district, it is important that the parent(s) come and formally withdraw their child from school. The new Missing Child Law requires parents to present the new school with a birth certificate, immunization records, and custody papers if applicable. If parents do not present proper documentation, the new school has the right to notify law enforcement officials, as this could be a missing child case. This law seems drastic, but it is effective.

Therefore, when you are moving, please take the following steps:

1. Notify the current school at least 24 hours in advance that you are moving.
2. Return all school-owned textbooks, materials, and equipment.
3. Resolve all outstanding fees and fines with the school.
4. Come to the school and sign a formal withdrawal paper.

All school records will be mailed or faxed directly to the new school when a signed release form is received.

## **Student Use of Telephones**

The school telephone will be available to students for emergency calls and for communication with parents when other unavoidable circumstances arise. Students will be discouraged from using the phone to ask parents to bring a forgotten article to school, as students need to develop responsibility for coming to school prepared.

## **School Closings**

In case of severe weather or calamity requiring school to be closed, the official announcement will be made over local radio and television stations and a recorded message will also take place via phone. Please do not call the school.

## **Student Dress Code**

Students, in general, are permitted to use their own personal taste in determining what clothing should be worn to school. We ask parents not to allow their children to wear clothing that could draw undue attention to the child and interfere with learning. It is our opinion that short shorts, bare midriffs, bare backs and halter-tops are not appropriate for school attire. If for some reason a student's clothes would be judged to be inappropriate, parents will be called to bring a change of clothes to school. For your child's safety and comfort we ask that you try to avoid stylish shoes with a heel that may lead to a foot/ankle injury or prohibit free, comfortable movement. Keep in mind that elementary students run and play on the playground equipment on a daily basis. **Please note that flip-flops and opened heeled shoes are not permitted.** Students must be hygienically clean and neat. Clothing should be clean, modest in style and in good repair so as not to interfere with the learning process. Shoes must be worn at all times. Clothing which is determined to be detrimental to health and safety or disruptive to the academic atmosphere of the school will not be permitted. Parents and students should be aware and understand that violations in the student dress code will result in the student being removed from class and/or sent home to change his/her attire. Class time that is missed will be considered unexcused.

**For the purpose of clarification, the following guidelines have been established:**

1. Wearing of hats or head coverings of any kind will not be permitted unless medically necessary.
2. Articles of clothing that contain alcohol, drugs, violence or obscene, suggestive, or questionable printing will not be permitted.
3. Sunglasses are not to be worn unless prescribed by a physician.
4. Shorts and skirts must be longer than fingertip length.
5. If tights are worn under skirts or shorts, the shorts and skirt still have to be fingertip length or longer. If tights are worn, they cannot be worn just by themselves. Leggings are permissible but tops/shirts must be longer than fingertip length.
6. All dress must be school appropriate, based on the opinion of staff and/or administration.
8. Students are required to store book bags and coats in cubbies/lockers during the day.
9. No pajamas, sleepwear or slippers are permitted.
10. No pants should have holes above the knee.
11. Shoulders, Stomach and back should be covered. **No tank tops.**
12. All clothing must cover undergarments.

\*First Offense-warning and student must correct violation before returning to class

\*Second Offense-student must correct the violation before returning to class and will also be subject to consequences moving forward. Parents will be contacted.

Also, parents are asked to see that their children are dressed properly for the prevailing weather conditions. Outdoor activities and recess are a part of every school day unless weather conditions are poor, so warm clothing will be needed during the winter weather. Students will go outside for recess every day, as long as the temperature, with wind chill, is above twenty degrees. **Notes requesting students stay in from recess due to sickness will only be honored if it is from a doctor, as supervision of these students is extremely difficult.**

### **Lost and Found Items**

Any items found in, or around the school are placed on our lost and found table outside of the office. Parents are encouraged to label lunch boxes, hats, coats, tennis shoes, gloves, and other personal items. Any items left after a period of time will be donated to charity.

### **Lunch Program**

Keystone Local Schools offers a federally funded school lunch program of free or reduced price school lunches to children of qualifying families. Application forms are sent home with all students at the beginning of the school year. **If at any time during the school year circumstances are such that you believe you may qualify for one of these programs, please contact the school and a form will be sent home.** It is the Parent/Guardian's responsibility to complete and return the application for free or reduced price school lunches at the start of each school year. School fee waivers are also determined using this application. We do not send home low balance sheets for lunch accounts. You can check your child's balance online, or by calling the school at (440)355-2300. If a student forgets his/her lunch, parents may bring that lunch up to the school and the office will deliver it to the student. **Please do not request to eat lunch with your child.** The cafeteria is an extension of the learning environment at the school and these types of visits create an unnecessary disruption and can become unsafe as it has the potential to add many extra adults in the building.

### **Textbooks, Workbooks and Fees**

(Pay online through PayForIt.Net – See district web page) **Textbooks and workbooks are issued to each student at the beginning of the school year. Students are responsible for keeping textbooks in good condition. Parents will be asked to pay for any damaged or lost books, including library books.**

There is a \$50.00 charge per student grades K-5. **Workbook/Consumables = \$45 Classroom/Art Supplies = \$5 Chromebook/Technology = \$30** (Grades 1-5 only). Unpaid fees DO roll over and follow your student throughout his/her education. Students who qualify for free lunch and sign the release of information form will be eligible to have their school fees for the current year waived. **NOTE: YOU MUST SIGN THIS FORM FOR THIS TO APPLY. Failure to pay school fees will result in students being excluded from curricular field trips.** These students will be provided with curricular work to be completed at school on the day of the field trip.

### **Field Trips**

Field Trips at Keystone Elementary are extensions of the classroom. These trips are scheduled with the grade level curricular standards in mind. They are intended to be instructional in nature, not a break from school. Students must either attend the field trip or attend school. Meaningful work will be provided for them at school if the parents choose not to have the child attend the field trip. The only parents permitted on the field trip are the ones identified by the teacher as chaperones. All chaperones need to be BCI checked through the state of Ohio, and have those credentials on file with the Keystone Local Schools Board of Education office. Parents will not be permitted to meet students at field trips.

### **Media Center/ Library**

The elementary school media center is available to all students during their weekly scheduled library time. Students are encouraged to borrow books for research, class assignments, and independent reading. Students are asked to remember that the books are their responsibility. Library books should be kept clean, neat, and in good condition. Students will be assessed a fine for overdue library books. Students will not be permitted to take out additional books until all library fines are paid.

### **Report Cards/ Progress Reports**

Report cards will be issued to all students at the end of each grading period.

Grades K-5 can be checked anytime online using PowerSchool and will be updated at least one time every three weeks. Paper copies of progress reports will be sent home to any student in grades K-5 with lower than a 69% (I) in any class or for any student if the teacher feels the student is having difficulty academically or behaviorally. Progress reports and report cards are only one method of communicating the academic progress of a student to the parent.

## **Parent/Teacher Conferences**

Parent/teacher conferences can be held throughout the school year. If you have a concern relative to your child's academic progress, contact Keystone Elementary School to set up a conference with your child's teacher. Additionally, two sets of evening conferences are scheduled during the month of November and February. Consult the school calendar, or classroom newsletter for dates of scheduled evening conferences. **Generally speaking, teachers are unavailable for unscheduled conferences before or after school unless it is set up at least 24-hours in advance of the meeting and agreed upon by both the teacher and the parent.**

2. Delegate to the school official and teacher the authority to enforce regulations regarding conduct of students.
3. Not participate in disciplinary problems until they have been fully investigated by the school administration.
4. Support teachers and administrators to the fullest in their efforts to maintain proper decorum among students.

    1. Gross Misconduct
    2. Secondary Misconduct
    3. Minor Misconduct

## **Transportation Information**

Since many of our students travel to and from school by bus, our ultimate concern is the safety of all children. The bus driver is in complete charge of the students and will report serious difficulties or disciplinary problems to the building principal. Parents will receive a Bus Misconduct Report when a serious problem is reported to the building principal. Continued disruptive behavior may result in a suspension of bus riding privileges for a period of time.

Keystone Elementary School buses tend to be filled to state maximum capacity; therefore we cannot accommodate students wishing to ride a different bus to a friend's house. Any request for a child to ride a different bus or be dropped at a location not the child's home must be approved by the **transportation supervisor** in advance.

Students are requested to be at their designated bus stop five (5) minutes prior to the scheduled arrival of their bus. Occasionally buses are delayed due to inclement weather or bus difficulties. Students should remain at their bus stop for a reasonable period of time for their bus.

## **KEY-CARE (A BEFORE AND AFTER SCHOOL CHILD CARE PROGRAM)**

Key-Care, our before and after school childcare program, will begin on the first day of school. Childcare will be available for Keystone Elementary students from 6:30 - 8:50 A.M. and 3:15 - 6:00 P.M. The purpose of Key-Care is to provide a safe and enjoyable child care environment. Free choice activities will be available for your child, such as games, homework assistance, computers, and group activities. You may arrange care for your children during part or all of the above-mentioned times. Perhaps you only need childcare two mornings or afternoons per week, or perhaps your work schedule changes each week. Hopefully, Key-Care has the flexibility to meet your needs. Since Key-Care must be self-supporting, the cost of this childcare is \$5.00 per child, per visit. Parents are asked to pay in advance. Our Key-Care worker will keep records of your payments and will notify you when another block of time needs to be purchased. You may enroll your child in Key-Care at any time; we do require notice. Our Key-Care worker must know in advance which children will be attending the program on a given day - **it is not a drop-in program!**

Any student/s remaining after 6:00 pm will be charged a late fee. The fee will be \$10.00 for every 15 minutes late. This late fee must be paid in full before the next visit to Key Care, or admission will not be granted. After 2 hours, the police will be called. If an acquired balance of \$50 or more, students will not be able to attend until all fees are paid.

## **Administration of Medication**

The school shall urge parents to give primary consideration to the importance of the administration of all types of medication by family members at home. Certainly, in cases of extreme or unusual illness, the physical condition and well-being of the student should warrant that he/she be confined at home.

**Students are NOT permitted to carry over-the-counter or prescription medications on their person during the school day or during school activities unless authorized in writing by a physician.**

### **Oral Medications in Schools**

If, under exceptional circumstances, a child is required to take medication (**prescription or over-the-counter**) during school hours and the parent cannot be at school to administer the medication (which is the preferred practice), only the school nurse, building principal, or building secretary shall administer the medication in compliance with the regulations that follow:

1. Prior to administering medication, the principal shall receive a Keystone Local Schools Medication form, found in the school office or KLSD website, completed and signed from the parent or guardian of the student, and a written set of instructions signed by the physician that specifically identifies:
  - a. The student's name, address and grade level
  - b. The name of the medication
  - c. The purpose of the medication
  - d. The exact dosage required
  - e. The exact times of the day to be administered
  - f. Possible side effects or reactions which should be reported to the physician
  - g. Special instructions including storage and sterile requirements
  - h. The dates when the medication is to begin and is no longer needed
  - i. The date when the request is signed by the physician

- j. The name, address, and phone number of the physician
- 2. Prior to administering the medication, the principal shall receive a Keystone Local Schools Medication form, found in the school office or KLSD website, completed and signed by the parent or guardian of the student
  - a. Authorizing the school personnel to administer the medication as instructed by the physician
  - b. Agreeing to deliver (this is highly recommended and preferred) or to send the medication to the school in its original container packaged by the physician or pharmacist, and to receive the medication at the end of the school year
  - c. Agreeing to notify the school if the student's physician changes, the student's health condition changes, and/or if the medication or dosage is changed or is to be eliminated prior to the original termination date.
- 3. In addition, if your student requires any sort of health plan for a medical condition, please provide a copy to the office and nurse.
- 4. **Please note that aspirin, cough medicine, throat lozenges, and other types of remedies ARE considered over-the-counter medication and are regulated by these guidelines.**

### **Classroom Food Policy**

Each year we have more and more students with severe food allergies. As a school, we work with staff, parents, and physicians to come up with an individual health plan for each student with allergies. You will notice many classrooms around our school that have signs listing types of food restricted from that classroom. The teachers are diligent about following this plan and most students understand their allergies and are careful about what they eat. Even with these precautions, students sometimes are exposed to allergens. There are some children within our school who could have a serious allergic reaction from contact with even a microscopic amount of the offending foods. In order to make our school safer for our students, please adhere to the following food policy.

- 1.) All classroom food events adhere to the following rules:
  - A.) All food must be in its original packaging, labeled with ingredients
  - C.) Fresh fruit and vegetables are allowed if served whole
  - D.) Prepackaged food labels for donations, birthday treats, and classroom parties must be provided to the teacher **two days** in advance so that the teacher has time to check ingredients.
  - E.) No home-prepared foods are allowed
- 2.) In cases of birthday treats, food labels must be provided to the teacher **two days** in advance so that the teacher has time to check ingredients. Parents are encouraged to provide non-food 'treats' such as pencils, erasers, party favors etc... to celebrate birthdays.
- 3.) It is ultimately the responsibility of teachers to make sure that all food in the classroom is safe for the students. The teacher can ask the nurse or office staff for assistance.

# WHAT IS PBIS?

If a child doesn't know how to read, we teach.  
If a child doesn't know how to swim, we teach.  
If a child doesn't know how to multiply, we teach.  
If a child doesn't know how to drive, we teach.  
If a child doesn't know how to behave, we... teach? ...punish?  
Why can't we finish the last sentence as automatically as we do the others?

— Tom Herner (NASDE President, 1998)

**PBIS** (Positive Behavioral Interventions and Supports) is an organized, data-driven system of interventions, strategies, and supports that positively impact school-wide and individualized behavior planning. PBIS seeks to reduce or eliminate unexpected behavior school-wide through the encouragement of positive behaviors.

The goal of PBIS is to create a positive school climate, in which students learn and grow. Using the most current best practices, strategic teams are trained to positively impact behavior at three behavioral tiers.

An important part of PBIS is the clear and consistent expectations developed by the school's PBIS team. It will be our job to teach the meaning of these expectations as they apply to each area or activity in our classrooms and school. At the district meeting, it was decided that **P.R.I.D.E.** would be an ideal representation of Keystone's mission and core values.

**P - Positive**  
**R - Responsible**  
**I - Integrity**  
**D - Driven**  
**E - Engaged**

## AREAS OF FOCUS FOR BEHAVIOR:

- Restrooms
- Classrooms (and Keycare)
- Hallways (and Pods)
- Playground
- Cafeteria
- Bus

## *CORE PRINCIPLES OF PBIS:*

1. We can effectively teach appropriate behavior to all children.
  2. Intervene early
  3. Use of multi-tier model of service delivery
  4. Use research-based, scientifically validated interventions to the extent available
  5. Monitor student progress to inform interventions
  6. Use data to make decisions
  7. Use assessment for three different purposes
    - a. Screening of data comparison per day per month for total office discipline referrals
    - b. Diagnostic determination of data by the time of day, problem behaviors, and location
    - c. Progress monitoring to determine if the behavioral interventions are producing the desired effects
-

### TIER 1: MOST STUDENTS

The bulk of PBIS support falls within Tier one. Approximately 80% of students never need to move beyond Tier 1 in interventions and support.

#### CHARACTERISTICS OF TIER 1: *UNIVERSAL OR PRIMARY PREVENTION*

- School wide
- For all students, staff members and all settings
- Designed to reduce problem behaviors
- Increases instructional time

### TIER 2: SOME STUDENTS

For that subset of students (about 15%) who struggle with Tier 1 interventions and supports, Tier 2 addresses at-risk behavior. The specialized interventions and supports at the Tier 2 level help to prevent the worsening of problem behaviors.

#### CHARACTERISTICS OF TIER 2: *SECONDARY PREVENTION*

- Group supports for some students
- Specialized interventions for students demonstrating at-risk behavior
- Prevents worsening of problem behaviors

### TIER 3: FEW STUDENTS

Students who do not respond to the interventions and support in Tier 2 receive further individualized supports in Tier 3. The individualized plan for each student at this level may include efforts by special education teachers or school psychologists. Typically, less than 5% of students require Tier 3 interventions.

### CHARACTERISTICS OF TIER 3: *TERTIARY PREVENTION*

- Individual support for a few students
  - Specialized interventions for students with high-risk behavior
  - Designed to reduce severity of ongoing problem behaviors
- 

### OVERALL BENEFITS OF SCHOOL-WIDE PBIS:

- Improves school culture
- Builds social skills
- Reduces office discipline referrals
- Reduces suspensions
- Increases instructional time
- Improves social and emotional development
- Improves school safety
- Increases student engagement
- Improves academic performance
- Increases family involvement
- Improves classroom management
